## Delegate conference calls to kick off next phase of our 2009 campaign

### KEY POINTS:

- Conference calls are being run next week to brief delegates on the very important next steps in our 2009 campaign for job security and protecting our terms and conditions.
- On the calls we will brief delegates on the next steps in the campaign, set up the local delegate elections and the claims development process for our negotiations.
- Delegates need to fill in the attached fax back sheet to confirm which conference call you will be attending.

### ACTION:

**Delegates (or another member if your site does not have a delegate or the delegate will be unavailable):** Please fill in the attached fax back sheet to confirm which conference call you will be attending and fax it back to Finsec on 04 385 2214 by 5pm this Friday, April 17.

### Calls to kick start next phase of campaign

Following on from our highly attended **Better Banks** meetings and the launch of our public petition seeking job protection in our banks, we are moving onto the next phase of our 2009 campaign.

### Why are we running delegate conference calls?

We are running delegate conference calls to brief delegates, or another member from your site if the delegate is unavailable, on:

- The process for running a delegate election in your worksite
- What we need to do to reach our goal of 10,000 signatures on our job security petition
- Explain the process for developing members' claims for negotiations this year
- What we need to do to be in a strong position by negotiations

### How do I get on a conference call?

The first thing to do is fill in the attached confirmation form to let us know which call you will be attending.

There are 9 conference calls in total for you to choose from. The start times for the calls are 5.30, 6.30 and 7.30pm Tuesday through Thursday in the week starting April 20 (next week).

The calls will last for no more than 30 minutes. Choose the call time and date that works best for you.

To ring into your call dial **0800 449 288**. Ten enter the pin number which is **52400038#**.
