KEY POINTS:

- The campaign to support collective agreement negotiations will start next week with organiser-run meetings to identify key issues for Finsec members at PSIS.

ACTION:

Delegates: Please ensure that all staff on your site are aware of the time and date of your claims meeting. See the Schedule below.

Members: Please attend your meeting and have your say on the priorities for negotiations.

Bargaining starts in March – Members please attend your local meeting

Collective agreement negotiations with the PSIS are occurring in the next few months, with dates for bargaining set down for March.

Starting next week, organiser-run meetings have been scheduled to provide an opportunity for PSIS union members to identify the priority issues for this year, and discuss what we can do to achieve our goals.

Remember that these are paid union meetings. It is your legal right to attend these meetings during working hours.

Meetings will be followed by 1:1 discussions between the union organiser and each staff member.

Non-members need to join Finsec if they are to have a say in this campaign and influence the outcomes at the negotiating table. Now is the time to join Finsec and strengthen our ability to achieve wins on the issues that matter to all PSIS staff.
